(23-April-25)

DEFINITIONS

In these Conditions "the Company" means Flux Pumps International (UK) Limited (company registration number 02029429), "the Webshop" means <https://flux-pumps.co.uk>, "the Website" means <https://flux-pumps.co.uk>, "the User" means any person using the Website, "the Buyer" means the person, firm or Company with whom the Company contracts for the supply of products, "the Products" means the goods purchased from the Company, "the Contract" means the sales contract between the Company and the Buyer. Please also refer to our Terms and Conditions of Sale, available separately.

GENERAL

These terms of use govern use of data and information presented on the Website, as well as the downloading of files. By using the Website or downloading files, the User agrees to these terms and conditions of use. The Website has been developed and administered by Flux Pumps International (UK) Ltd (hereinafter, "the Company"). Use of information provided and files downloaded from the Website is done so at the User's own risk.

1. ACCESS TO WEBSITE

The Website must not be used for any purpose that is unlawful, illegal or prohibited by these Terms and Conditions. The User must not use the Website in a way that causes, or may cause, damage to the Website, or impairs the availability, or accessibility of the Website. By using the Website, the Buyer accepts the terms, conditions, limitations and disclaimers contained within this notice.

Given the unpredictability of the online environment, the Company does not warrant that functionality or operation of the Website will be uninterrupted or error-free, that defects will be corrected, or that this site (or the server that makes it available) will be free of viruses or other harmful elements. Access to the Website may be occasionally suspended or restricted to allow for repairs, maintenance, or the introduction of new facilities or services. The Company will attempt to limit the frequency and duration of any such suspension or restriction.

2. CHANGES TO WEBSITE

The Company reserves the right to change, update or remove the website, or any part of it, including our General Terms and Conditions of Sale, at any time and without prior notice. The Company shall not be held liable for any unforeseen consequences of any such change, update or removal. Therefore, please check these terms when using the Website and note any amendments or supplements.

3. THIRD PARTY LINKS

To provide a greater range of products and services, the Company may provide links to other Websites or resources for the Buyer to access, if they so wish. These third-party websites are controlled and maintained by others.

Any link to another third-party Website is not an endorsement of the Website. The Company does not assume responsibility for the content or availability of such websites and no liability for any damage or injury resulting from the use, in any way whatsoever, of such contents. Links to other websites are provided to the users of the Website only for convenience.

The Company does not warrant that the links will, without change and with consistent quality, provide information on a subject. The User will establish connections to these websites at their own risk. The choice of links provided shall in no way restrict the User to the information provided at the linked websites.

The linked web pages have been checked for possible breaches of law at the time the link was established. Unlawful content has not been identified at the time any link has been established. When any violation of a right or law becomes known, we will immediately remove the relevant link.

4. WEBSHOP ACCOUNT ACCESS AND SECURITY

The Buyer holds responsibility for the security and protection of their account password. Should the password become known through no fault of the Company, the Company cannot accept responsibility should the Buyer's account be used for fraudulent means. Contact the Company immediately should the password become compromised, or if there is a risk of the password is being, or likely to be, used in an unauthorised or fraudulent manner.

The Buyer should ensure that personal details are up-to-date and inform the Company immediately of any changes to the registration details. The Company reserves the right to refuse access to the Webshop, terminate accounts, remove or edit content, or cancel orders at its discretion. If the Company decides to cancel an order under such circumstances, the Buyer will not be charged.

The User is fully responsible for content and accuracy of any information provided to the Company, and for ensuring that third-party rights are not infringed. The User agrees that the Company may store this information and use it for statistical evaluation or other named business purposes, except for personal data which is not existing data, or usage data.

The Company is authorised to use data provided by the User for any purpose, including the development, production and/or marketing of products and services. The Company may reproduce data provided, including ideas, inventions, concepts, techniques or know-how and make it accessible to third parties without restriction.
